LACC Physics and Engineering Department’s Spring 2012
Walter O’Connell Memorial Lecture

"AN EXPLOSION OF EXPLOSIONS"

A talk for everyone in the LACC community by
Dr. Shrinivas Kulkarni
Caltech

Come hear Dr. Kulkarni tell us about the mysterious and exciting new kinds of exploding stars discovered in space by the telescope at the Palomar Transient Factory!

TUESDAY, MAY 8 AT 3:30 PM
SCI-TECH 132
Refreshments will be served!
